

Instructions for the Plan Review Questionnaire Form

The enclosed questionnaire was designed for the operator and/or architect to utilize in the plan review process. Please feel free to contact your local health department for further assistance when completing the questionnaire.

The questionnaire is designed in 2 parts. Part one is the Standard Sanitary Operating Procedures (SSOP's). This part should be completed by the owner/operator of the facility. SSOP's are procedures that will help your operation to be in compliance with the Retail Food Establishment Sanitation Requirements Title 410 IAC 7-24. The referenced section numbers at the end of each question will help you in answering the questionnaire. The following bulleted items are the sections covered under part one:

- Food (will the food be received in a safe and sanitary manner)
- Food Preparation (limits/restricts the amount of pathogen growth in food)
- Hot and Cold Holding (keeps pathogens from growing in food)
- Sanitization (ensure the proper amount and application of sanitizer levels)
- Poisonous or Toxic Materials and Personal Care Items (covers the storage and use of these items)
- Miscellaneous (covers registration/permitting and food handling in the home)

Part two is the physical facility requirements. This part may need to be completed by the architect/contractor/engineer, since these requirements are more of a technical basis. The following bulleted items are the sections covered under part two:

- Warewashing/Dishwashing (covers the proper use and capacity of your equipment)
- Water Supply (is the water potable/drinkable)
- Waste Water/Sewage Disposal (is the sewage system in compliance)
- Plumbing (covers backflow, hot water capacity, hoses, and grease traps)
- Handwashing/Toilet Facilities (quantity, door closure, and ventilation)
- Room Finish Schedule (covers the interior of the kitchen and ensures that the materials are made to be smooth and easily cleanable)
- Personal Belongings (prevents contamination of food from employees)
- Equipment (requires all equipment materials be food-grade quality and approved for use in a commercial kitchen)
- Insect and Rodent Harborage (prevents insects and rodent activity)
- Reuse and Recyclables (covers the storage and disposal)
- Lighting (minimum amount of light needed to conduct operations)

The Plan Review Application Form must be completed and submitted with the accompanying questionnaire.
